Ex.d The Deposition of Thomas Hobbs of lawful age who being sworn on the holy Evangely of almighty god, the second day of September eighteen hundred and Three. The said Hobbs standing in the benter between the following Trees to wit: a Spanish Oak a Maple and a Chesnut all marked with nine notches and a black oak that appears to have been marked says that he was applied to some time in the year seventeen hundred and eighty four by Brice Warfield to lay out one hundred acres of land out of a tract of land called the Second Addition to Snowden's Manor which said hundred acres he had sold to Thomas B. Howard, he says that he laid out the said hundred acres and that the place where he now stands is the end of the second line of the said hundred acres and the beginning of the division line between the said hundred acres and the land belonging to the heirs of West Burgess; This Deponent being further sworn, standing at a Box oak Tree near a road, marked thus TH, and six notches cut in said Tree says that the place where he now stands is the end of the third line of the hundred acres sold to said Howard and likewise the end of the division line between said hundred acres and the land belonging to the heirs of West Burgess and Father he known's not.
