☞ The *Age* says, the morals of the Radical leaders are no better in south Carolina than they are in Philadelphia. Yesterday, the New York *Tribune* said: "Incidental to a report of the status of exCongressman Bowen, convict of bigamy, we having a shocking account of the Second Congressional District of South Carolina. While Bowen, who claims the seat of district, is in jail, it is charged that DeLarge, sitting member, procured his certificate by frauds practiced by three managers of election; that these managers have been tried and convited of fraud; that ballot-box stuffing was common at the late election; that other managers are on trial for misdemeanor; and, finally, that, further damaging evidence remains behind. The Second Congressional District of South Carolina, it is clear, is in a pitiful need of missionaries."

QUEEN ANNE'S AND KENT RAILROAD.—Mr. Robert Irwin, one of the contractors on this road, contradicts the statement made recently by the *Citizen* to the effect that work had been suspend. Mr. Irwin informs us that the iron is being sent forward as rapidly as possible, and the road will be completed to Centreville and in running order, early in the coming month. The entire line is graded and bridged, and it is only necessary to lay three miles of track, which will be done in three weeks.

THE POPE'S TWENTY-FIFTH YEAR IN THE CHAIR OF ST. PETER.—The 17th of June was the twenty-fifth anniversary of the elevation of Pius IX. to the Papal chair. It seems that no Pope has ever occupied the pontifical chair as many years as St. Peter, which is alleged to have been twenty-five, and but ten have ever served over 20 years. The anniversary was celebrated on Friday, Saturday and Sunday by the Roman Catholics throughout the country by solemn services of thanksgiving in their churches, by parades, firing of salutes, display of banners, and illuminations. The German Catholics were prominent in observing the jubilee.

DISCOVERY OF A NEW COAL IN ILLINOIS.—Great expections are entertained in regard to a black coal which has lately been discovered in Illinois. Although only thirty feet below the surface of the ground, it belongs to a lower coal formation than has hitherto been discovered in that State. The new coal is said to contain less ashes than anthracite, and, if it should be found to exist in large quanities, will be of immense importance to the manufacturing interests of St. Louis and the adjacent region.

DUTSON OF THE EARTHQUAKE.—The bottom of the Morris canal, 40 to 50 feet, between New Village and Broadway, N. J., fell out on Monday morning. Apertures were also found in the adjoining woods, in which rocks and trees were swallowed—attributed to the shock of earthquake.

$300 REWARD.—The Governor of Maryland has offered a reward of three hundred dollars for the arrest and conviction of Alexander Newton, an accomplice in the murder of Robert Hackett, colored, which took place near Massey's, in Kent county, on the 29th ult.

A Valuable Farm
AT
Private Sale.

The subscriber, hereby offers and will sell, a

VALUABLE FARM

for a reasonable price and on very easy terms, to a responsible purchaser. The farm lies directly upon the divisional line between Delaware and Maryland, principally in Queen Anne's county, of the latter State, about 4 miles from Millington, 5 from Sudlersville, 6 from Kenton and 12 miles from Smyrna. It is within a few miles of two working Rail Roads which connect with the Delaware Rail Road, and is in a good and rapidly improving neighborhood. The tract adjoins lands of Major Black, John Clark, James Guessford and others, and contains about

260 Acres,

of which, 100 ACRES are WOODLAND. The cleared land is in a state of good improvement, and the buildings—Dwelling House, Stables, Cribs, Sheds, &c., well arranged for the complete working of the farm, and all in good condition.

Any person or persons in search of such property, may obtain a bargain in this estate. The land is naturally strong and good, admirably adapted to the growth of fruits as well as of grain and grass.

By virtue of a Decree of the Circuit Court for Queen Anne's county, the undersigned, as Trustee, will sell at Public Auction, in Church Hill, Queen Anne's county, Md., in front of Gallard's Store, on

Saturday, the 8th day of July, 1871,

between the hours of 2 and 4 o'clock, P. M., all that

FARM
CALLED
"Smith's Forrest,"

on which Richard C. Stephens now resides, containing

201 ACRES & 3 ROODS OF LAND,
MORE OR LESS

This farm is situated on the public road from Church Hill to Beaver Dams, only three or four hundred yards from the place where the Rail Road crosses the said public road, at which place there will be a switch. It is improved by a COMFORTABLE TWO-STORY

FRAME DWELLING,

and necessary OUT-BUILDINGS. The soil is of excellent quality, suitable for the cultivation of fruits, grain, hay, &c. There is a fine Young Peach Orchard on the farm.

The location of this farm renders it a very desirable property.

TERMS.

One-fifth of the purchase money will be required in cash on the day of sale, and the balance in equal payments in 6 and 9 months, with interest from day of sale, and to be secured by the bonds of the purchaser, with security to be approved by the Trustee. Papers and stamps at the cost of the purchaser.

LLOYD TILGHMAN,
June 13, 1871-ts. Trustee.

A Valuable Farm
AT
Private Sale.

The subscriber, hereby offers and will sell, a

VALUABLE FARM

for a reasonable price and on very easy terms, to a responsible purchaser. The farm lies directly upon the divisional line between Delaware and Maryland, principally in Queen Anne's county, of the latter State, about 4 miles from Millington, 5 from Sudlersville, 6 from Kenton and 12 miles from Smyrna. It is within a few miles of two working Rail Roads which connect with the Delaware Rail Road, and is in a good and rapidly improving neighborhood. The tract adjoins lands of Major Black, John Clark, James Guessford and others, and contains about

260 Acres,

of which, 100 ACRES are WOODLAND. The cleared land is in a state of good improvement, and the buildings—Dwelling House, Stables, Cribs, Sheds, &c., well arranged for the complete working of the farm, and all in good condition.

Any person or persons in search of such property, may obtain a bargain in this estate. The land is naturally strong and good, admirably adapted to the growth of fruits as well as of grain and grass.

MILLIONS Bear Testimony to their Wonderful Curative Effects.

They are not a vile **Fancy Drink**, Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER** and **A LIFE GIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout; Dyspepsia or Indigestion; Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring Worm, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. For a full statement of the disease, there is scarcely an individual upon the face of this earth whom some of these parasites do not visit, sooner or later. It is not upon the healthy contents of the body that worms exist, but upon the diseased humors and slimy deposits that render those living monsters of disease. No System of Medicine, no vermifuge, no anthelmintics will free the system from worms like these Bitters.

PURIFY YOUR BLOOD
AT ONCE.

Wherever the Poke Root grows, it has a local reputation for curing Rheumatism, and as a Blood Purifier. In the spring the early shoots are used by many people for "greens," because of their health-giving qualities. With all this local reputation, and the praise from time to time of enthusiastic Physicians who have tested its medical powers, it has been neglected by the profession at large, as much through a want of a proper appreciation of its merits, as a knowledge of the proper way to prepare it for medicinal use. Dr. Oliver Crook, a physician who for more than a quarter of a century has resided in Ohio, has for years tested the active therapeutic qualities of Poke Root during the last 25 years, and unhesitatingly pronounces it to have more merit for diseases depending on a depraved condition of the blood, than any and all other articles named in the Materia Medica. Under his instructions our Chemist has combined the active medicinal qualities of Poke Root with the best Tonic Preparation of Iron, and we offer this preparation to the public bearing them of the ingredients under the name of

Dr. CROOK'S Compound SYRUP OF POKE ROOT.

This preparation is the best Alterative, and Tonic known for **Scrofula, Scrofulous Tumors, Scrofulous Diseases of the Eyes, or Rheumatism, Gout, Constitutional Syphilis in any form. For Pains in Bones, Broken-down Constitutions, Mercurial Diseases, Mineral Poisons,** more effectual relief is obtained from this remedy than from all others. It strengthens, purifies and cures. It is indispensable in the treatment of long standing disorders of the Liver, and proves a certain, safe and effectual resolvent, manifesting its influence throughout the entire glandular system. Chronic diseases of any kind. **Diseases of the Skin, Eruptions, Pustules, Blotches, Pimples, Boils, Tetter, Ring-worm, Salt-Rheum, Scald-Head, Ulcers and Sores, are all cured by the use of it.** Any disease depending on a depraved condition of the blood can be cured by it. Try one bottle. Sold by all Druggists, Prepared only by
