By the petition of James Jones, and a transcript from the Record of Baltimore County Court, it appears that he was fined by the said Court at April Term 1832, the sum of forty dollars for a pawling & Beating Samuel B Hugo.

By the petition of Lilburn Mitchell and transcripts from the Records of Prince Georges County Court, it appears that he was fined the sum of ten dollars for resisting by violence Joshua A Selby, a Constable, in serving a Warrant, and that he was also fined the sum of five dollars for an assault & Battery on the said Joshua A Selby. The petitioners state that the said assault was slight, and that no injury was sustained by the party; that the opposition made to the officer proceeded from an un-reasonable obstinacy exercised towards the petitioner, in consequence only in a dis-engagement from the said Selby after he had attempted to serve and take the petitioner by force, and that in a few moments after the disengagement the petitioner peaceably surrendered himself to the said officer and obeyed his authority. It is also further represented by many respectable Citizens of the said County that the said Mitchell bears the character of honest, industrious, peaceable, and orderly deportment; that he is a poor man, and unable to pay the said fines without distress — they therefore pray for a remission of the said fines. Upon consideration whereof we do hereby remit the said fines.
