Dorchester and Caroline

[illegible] Kidney Pills lived up to every claim made for them. Driving away backache, rheumatic pains, urinary disorders and other kidney troubles, they have stood the test of time. Doan's Kidney Pills are still in demand. Ask your neighbor!

John W. Tucker, West Antietam St., Hagerstown, says: "Doan's Kidney Pills cured me of a severe attack of kidney trouble. I felt miserable and was laid up for a long time. My back was weak and I had sharp pains when I bent or arose. Dizzy spells came on and I was nervous. My sleep was broken and I was tired in the morning. I had dark spots before my eyes and was bothered by the secretions being too frequent in passage. I took Doan's Kidney Pills and they cured me in a few days. I have not had the slightest sign of kidney trouble since."
