

1 THE PRESIDENT: The enabling act says the
2 Convention shall provide for it in the Constitution and in
3 two places it refers to the schedule as attached so we thought
4 it would be better to do it this way.

5 DELEGATE PENNIMAN: The line is line 39 on page
6 51. That would appear not to be correct. It might be line
7 39 on page 52 or it might be line 26 on page 51.

8 THE PRESIDENT: Are you referring to the blue
9 copy?

10 DELEGATE PENNIMAN: No.

11 THE PRESIDENT: It is line 39 merely to indicate
12 it comes after the Constitution. It is not part of Section
13 10. It is just the concluding clause.

14 Delegate Burdette.

15 DELEGATE BURDETTE: I wonder if I might ask
16 Delegate Penniman if he would accept one of my pet preferences
17 that there be a comma after the word "Maryland" in line 19
18 and conforming to the old usage that the comma after
19 "Annapolis" is elliptical for the meaning of "State of."

20 THE PRESIDENT: Delegate Penniman, do you accept
21 the modification?
