Since the passage of the State Beer Law by the last Legislature, legalizing the sale of 3.2% beer, and placing fourteen (14) counties under State supervision and naming the Bureau of State Licenses the authority to pass on protested licenses, we have been compelled to devote quite a lot of time to this added license. This addition to the law involved much correspondence and many interviews, in addition to the hearing of seventy-five (75) cases where objections had been filed with the Clerks of the Courts protesting against the issuance of a license to sell beer, lager beer, etc. These petitions of protest were signed by two thousand and thirteen (2,013) persons, and each protestant was notified to appear at the hearing of the case in which they had entered an objection, which was held at the Court House in each particular county where the application was made. Of the seventy-five (75) cases heard by this Bureau forty-six (46) were granted a license and twenty-nine (29) were refused.
