

1 which everybody knows only affects one county, but it is
2 still a general law. There is nothing wrong with that.
3 It is a problem that should be corrected.

4 DR. LOEVY: I have to leave at this point be-
5 cause of my night class in Baltimore. I just wanted to
6 interrupt briefly to ask this. At our next meeting, what
7 are we going to be discussing?

8 THE CHAIRMAN: Because of the fact it is 5
9 o'clock and knowing you have to go, I hesitate to let
10 Dean Fordham go because I keep hunting for some other
11 questions to ask to satisfy my own mind I am on the right
12 track and to be sure I am.

13 I do ask you to appreciate how much your presence
14 and coming down here has meant to us, because we are
15 striking out in a new field where we are becoming, where
16 we have become aware of the big problem that we are wrestling
17 with.

18 Your comment and experience and presence here
19 and conviction have been and will be quite helpful to us
20 in trying to resolve this. We would like to be able to
21 contact you further with specific questions and have the
