

1 General Assembly wants to include. It may think the law
2 clerks' salaries ought to be mandated, too.

3 THE CHAIRMAN: Mr. Miller?

4 MR. MILLER: Mr. Chairman, this is again a
5 question of wording and ought to go to the Committee on
6 Style, I think, but I find in reading this over, it is
7 quite confusing. On the sixth line of Subsection 6,
8 where it goes on to say, but this provision shall not be
9 applicable, et cetera -- I think that ought to be simplified.
10 As I understand it, it means it doesn't apply at
11 all to anything there, and it will be applied later under
12 Subsection 4. I would like to see if we couldn't get
13 it so it reads a little more intelligibly.

14 THE CHAIRMAN: All right. That will be considered by the Committee on Style. Any further questions?

15 Mrs. Bothe?

16 MRS. BOTHE: Did you get any reaction from
17 legislative leaders on this proposition of the budget bill
18 going through on a time limit?

19 MR. CASE: I think the idea came originally
20 from the hearing.
