

1 THE CHAIRMAN: Embracing more than one county.

2 MR. CASE: Now, we've come full circle. Every-
3 body here knows what we're talking about, but when they
4 read this, a reader will never know what we're talking about.

5 THE CHAIRMAN: I think the point is well taken,
6 that the use of the word region here must be tied into the
7 multi-county concept in the other section.

8 MR. CLAGETT: I would say so, and I think we've
9 got a better answer than that and that is we're allowing
10 the General Assembly to determine the boundaries of regions.

11 THE CHAIRMAN: But it still must be multi-county.

12 MR. CLAGETT: And I would have no objection to
13 boundaries of regions which shall be multi-county.

14 MR. SAYRE: Encompassing more than one county.

15 THE CHAIRMAN: May I suggest in the interest of
16 time that we not try to get the precise phraseology, now.
17 You are talking about a multi-county region, is that correct?

18 MR. CLAGETT: Yes. I'm talking about multi-
19 counties constituting a region. You've got too many s's in
20 there. I'm talking about multi-counties constituting a
21 region.
