

1 could have rationalization of their tax impact, maybe more
2 by general obligation bonds and revenue bonds which issue
3 would be less expensive, and we aren't going to have that
4 from authorities. It would seem to me we have to simply
5 allow for what takes its course, for regional governments.

6 THE CHAIRMAN: Mr. Miller?

7 MR. MILLER: Isn't it also already in the Consti-
8 tution, if you wanted such a government, first of all, it's
9 got to be approved by the Legislature as a region and,
10 secondly, if the Legislature wants to, it could take all
11 that and make one county of it?

12 MR. SAYRE: That's correct.

13 MR. MILLER: Which would accomplish all that this
14 motion would accomplish, and with a little more clarity be-
15 cause we know about the municipalities.

16 What we're really talking about is something
17 that's in between and we apparently want something in between.

18 MR. SAYRE: I would say yes.

19 THE CHAIRMAN: Any further discussion? Mr.
20 Brooks?

21 MR. BROOKS: I think the motion as it's made
