

1 or whatever it was from, that indicated it was of
2 sufficient importance that it should be referendum
3 material, and for that reason it was felt that it was not
4 required to go along with this no more than a certain
5 percentage be from any locality.

6 THE CHAIRMAN: Any further discussion?

7 DR. BURDETTE: I had a question. I am
8 trying to discover whether Mr. Case by saying representa-
9 tive statewide meant that he wanted to have some kind of
10 uniform proportion in all counties. In that case I
11 wanted to vote against it, or if he was saying there
12 was going to be some representation outside.

13 THE CHAIRMAN: I don't believe Mr. Case,
14 meant to so restrict the Committee, did you?

15 MR. CASE: No. I would like to see the
16 Committee think this thing through again and come back
17 with a recommendation.

18 DR. BURDETTE: I will vote on that.

19 THE CHAIRMAN: Any further discussion?
20 Are you ready for the question?

21 DR. BARD: Question.
