

1 Legislature wanted the Legislature to stay there until
2 they had done the job. It would only be able to be effective
3 if two-thirds of that body agreed to it. I would
4 like to suggest that we amend the section -- we put in
5 this an appropriate place in the legislative article the 70
6 day restriction, plus the right if two-thirds of the Legis-
7 lature see fit to do it, that such session could be
8 extended for 60 days but no more than 60 days.

9 THE CHAIRMAN: Before I submit that suggestion
10 for discussion, do you particularly care about the two-
11 thirds? I am thinking of the discussion we had before
12 in several other aspects, where the thought was expressed
13 that it was going to be three-fifths for this purpose.

14 MR. SCANLAN: The fraction isn't too important.

15 DR. BARD: I would like to amend that to 30
16 days. I would feel happier about it. I would like to have
17 agreed that any such extended sessions shall be finally
18 adjourned, not later than the 15th of June, and I think we
19 need to qualify what we mean by legislative days. Make it
20 clear that this would be exclusive of Saturdays, Sundays
21 and any legal holidays. That gets into some of the
