

1 DR. BARD: We would like to make a change in
2 Section 8 as it is stated on Page 8. At least, our
3 Committee would like to make a change: The members of
4 the General Assembly shall receive such salary and al-
5 lowances as may be provided by law, but any increase or
6 decrease in the amount thereof shall not apply to the
7 General Assembly which enacted the same; except that the
8 General Assembly in office at the time of the adoption of
9 this Constitution may fix its own salary and allowances
10 at an amount not to exceed blank dollars per annum (and
11 mileage not exceeding blank cents per mile). We would
12 like to put a ceiling. I would like to state this: As
13 noted here, except that the General Assembly at the time
14 of adoption of this Constitution may fix its own salary
15 and allowances in an amount not to exceed blank.

16 There was a feeling at the last Commission
17 meeting that there ought to be a ceiling on the salary at
18 the time of adopting of the Constitution. It is our own
19 feeling that if this be true, then at the Convention,
20 there would be a good deal of debate in terms of what that
21 ceiling ought to be, and we don't think that the Convention
