

missioners may pass rules and regulations as they may deem proper in accordance with the provisions of this Act as to the repair, care and attention to the roads, and the manner and mode of expending all moneys appropriated or for use in their respective districts.

CHAP. 828.

Under
control of
County Com-
missioners.

Section 126. Where there shall not be sufficient money in the county treasury set apart as a general road and bridge fund to meet the requirements of the county in case of some emergency or extraordinary necessity for repairs or work on the roads or bridges of the county, the County Commissioners are hereby authorized to borrow upon the credit of the county a sum not exceeding three thousand dollars in one year, and such sum so borrowed shall be provided for and paid out of the next succeeding levy by general taxation.

Authority to
borrow
a sum of
money.

127. Wherever any mill-dam may be built in said county upon any branch or stream where the public road crosses such branch or stream, the owner of any such mill-dam shall, within one month from the building thereof, erect a causeway across the breast of such dam at least twelve feet wide, and the top of the dam shall be at least twenty feet wide, and the bridges on same of the same width, and shall keep the same in good repair so that the public road shall be in no way affected injuriously thereby, and the owner or owners of any mill-ponds when the county or public road crosses the dam it shall be the duty of the owner or owners to keep such mill-dam and the bridges across the floodgates or floodways in the same order and condition as the county or public road on each end of such dam; and if the owner or owners thereof shall neglect for the space of thirty days to repair or keep in order said dam and bridges, the County Commissioners shall make such repairs and the cost of the same shall be a first lien against said mill property, and may be collected as taxes may be collected, unless within the thirty days the owner of such mill property shall give notice in writing to the County Commissioners that the mill or mills are abandoned, with its privileges. In such case the mill-dam and its bridges shall be kept in order and repaired by the County Commissioners in the same manner as county or public roads and bridges are repaired and kept in order.

Causeway to
be erected
across the
breast of
dam.

Section 128. The County Commissioners shall cause each male citizen of Wicomico county, over twenty-one years of age, who does not pay taxes and who does not reside in any incorporated city or town in said county, to be enrolled and to work on the county and public roads of Wicomico county in the road or election district he resides in, under the supervision of the road supervisor of said district at least one and

To be
enrolled and
to work
on the county
and public
roads one
day, etc.
