The system of discipline and exercises of the Maryland State Guard shall conform, as nearly as may be, to the system provided by law for the National Guard, and there shall be established for the Maryland State Guard, under the supervision and direction of the Adjutant General, such Military Courts and Courts Martial as may be necessary, which shall be constituted as similar courts provided for the National Guard are constituted, and which shall have and exercise, with respect to the officers and men of the Maryland State Guard, whether in active service or not, all the powers and jurisdiction which the Military Courts of this State and the Courts Martial of the National Guard have and exercise with respect to the National Guard when called into active service, with the same procedure and the same powers to issue process and to impose and enforce discipline and punishment.
