

of money herein appropriated for the objects and purposes herein specified, to, or upon the order of the person or persons entitled to receive the same.

SEC. 3. *And be it enacted*, That this Act shall take effect from the date of its passage.

Approved April 4th, 1914.

CHAPTER 322.

AN ACT to establish and maintain a sub-station of the Maryland Experiment Station on the Eastern Shore, to be located at Ridgely, Caroline County, Maryland; to purchase a tract of land, including farm buildings and equipment, now owned by the Board of County School Commissioners of Caroline County, a body corporate, immediately adjoining and originally a part of the tract now occupied by the Agricultural High School at Ridgely, Md.; and to appropriate certain sums of money to carry out the provisions of this Act.

WHEREAS, By an Act of the General Assembly of Maryland, passed at the January Session, Eighteen hundred and eighty-eight, Chapter fifty-five, the consent of the State of Maryland was thereby given to the purposes of a grant made by an Act passed at the Second Session of the Forty-ninth Congress of the United States, Chapter three hundred and fourteen, entitled "An Act to establish agricultural experiment stations to connect with the colleges established in the several States, * * *," and the Maryland Agricultural College was designated as the college entitled to receive the sum appropriated for Maryland; and

WHEREAS, There has been erected, and is now being used, at Ridgely, Caroline County, Maryland, a modern-type high-school building, well equipped with manual training, domestic science, chemical and agricultural departments and laboratories, and there has been purchased and is now being used in connection therewith, a tract of about fifty (50) acres of land, immediately adjoining said High School, in good state of cultivation, improved by a modern dwelling, tenant house and farm buildings, including farm equipment and live stock, sufficient for the use of an experiment farm; and

WHEREAS, The establishment of a sub-station of the Maryland Experiment Station to be located on the Eastern Shore is in
