(g) To make contracts and execute such instruments to contain such terms, provisions and conditions as in the discretion of the governing body of such municipality may be necessary, proper or advisable for the purpose of obtaining or securing grants, loans or other financial assistance from any federal agency pursuant to any Act of Congress; to make such other, further or different contracts and to execute all instruments necessary or convenient in or for the furtherance of any public works project, and to carry out and perform the terms and conditions of any such contract or instrument.

(h) To enter on any lands, waters and premises for the purpose of making surveys, soundings and examinations in or for the furtherance of any public works project.

(i) To do all acts and things necessary or convenient to carry out the powers expressly given in this Act and to construct any public works project.

64C. All proceeds received from the sale of the bonds of the municipality issued under this Act, and all taxes, special assessments and other charges received by the municipality in connection with any public works projects, and any moneys received from any Federal agency shall be paid to the Treasurer of the municipality. Such Treasurer shall not commingle any money received from any Federal agencies with any other moneys, but said moneys received from any Federal agency shall be deposited in a separate bank account or accounts in the name of the municipality. The governing body of the municipality may by resolution provide that all deposits of moneys received from the Federal agency shall, if required, by any contract made with any Federal agency be secured by obligations of the United States or of the State of Maryland of a market value equal at all times to the amount of such deposits, and all banks and trust companies are authorized to give such security for such deposits; and the governing body of the municipality is hereby authorized to enter into any contract with any Federal agency containing such requirement and to enter into and to fully carry out and per-
