

89. That the said Annapolis Water Company shall be managed by a Board of Five Directors, one of whom shall be the person who may be Mayor of the City of Annapolis, and who shall serve as such director during his term of office as Mayor; and, by virtue of his office, shall be the president of the Board and shall supervise and look after the general management of said Company; and shall receive the sum of \$800.00 per annum as his compensation; one of whom shall be the person who may be City Counselor of the City of Annapolis, who shall also be the Counselor to said board and who shall serve as such director during the time for which he has been elected as such City Counselor and shall for his services on said board, receive the sum of \$700.00 per annum; three of whom shall be Aldermen of the Municipal Corporation of Annapolis who shall be elected by said corporation (the Mayor, Counselor and Aldermen of the City of Annapolis) and who shall serve as such directors during their term of office. The minority political party of the City Council shall be represented on the Board of Directors, whether the same be the Mayor, Counselor, or one of the Aldermen, so that the majority political party of the said City Council shall have the majority of its members on the said Water Board.

There shall likewise be appointed by the aforesaid board one clerk, who shall act as clerk and secretary to said board and who shall receive the annual salary of \$1,200, payable monthly.

The City Treasurer shall be the collector of the water rents and all rents due and owing shall be paid to him, and he shall receive therefor the compensation of \$100 per annum in addition to his present salary as said City Treasurer. Said City Treasurer shall maintain a separate account in his office and a separate bank account for the money received as water rent. The said City Treasurer, before beginning to collect water rents as aforesaid, shall first file bond with the Mayor, Counselor and Aldermen of the City of Annapolis in the penal sum of \$10,000 for the faithful performance of the trust reposed in him and the proper appropriation of the money received.

The said Board of Directors is hereby invested with full and ample power to manage the Annapolis Water Company according to its best judgment, and to adopt and enforce all needful rules and regulations for the government of such employees as it may find necessary and expedient to have, and for the care and physical operation of the plant of the said Water Company in the interests of the health, comfort and proper
