

Of the amount of \$1,187,210 hereby appropriated at least \$274,622 shall be made available specifically for mosquito control and for no other purpose, and of this amount \$191,551 shall be expended for such control work throughout the State only under the following conditions:

(a) Temporary work for the alleviation of acute annoyance by mosquitoes, such as fogging towns, applications by airplane to certain areas where fogging is impracticable or undesirable, and the like, shall be undertaken only upon the condition that the municipality or special taxing area involved shall agree in writing to defray at least 50 per cent of the total cost of such temporary work, and

(b) Permanent work, such as upland ditching, marsh ditching, filling, and the like shall be undertaken only upon the condition that the municipality or special taxing area involved shall agree in writing to defray at least 25 per cent of the total cost of such permanent work.

(c) The determination whether any such work is of a temporary or permanent character so as to fix the amount of the contribution by the municipality or special taxing area involved shall be made by the State Entomologist and the Dean of Agriculture, or by some other official designated by the State Board of Agriculture.

Special Fund Appropriation, provided that revenues in excess of this estimate may be made available by approved budget amendment and administered in accordance with law 227,192

Federal Funds, provided that funds received in excess of this estimate shall be available for expenditure by the University of Maryland upon notification to the Director of Budget and Procurement and the Comptroller of the Treasury on the forms prescribed for budget amendment	21,500	1,445,902
