On motion of Mr. Mason,

Ordered, That the committee on claims be instructed to pay to Messrs. George & William Johnston, such sum of money as may be due them for the printing of this House, during the present session of the Legislature, not exceeding the sum of three hundred dollars.

Mr. Coad submitted the following order:

Ordered, That it be entered on the journal, that if a direct vote had been taken on each of the resolutions offered by Mr. Graves, from the city of Baltimore, singly, that Mr. Coad and Mr. Blackistone, from St. Mary's county, would have voted in favor of the adoption of the 4th resolution;

Mr. Phelps moved to amend said order by inserting his name after Mr. Blackistone:

On the question being put, will the House agree to amend?

Determined in the negative.

The question then recurred on the adoption of the order and being put,

Determined in the affirmative.

Mr. Bowie submitted the following as an amendment to the 25th rule of this House, to come in at the end of said rule:

The previous question shall, in no case be so construed as to prevent a division of any question or subject matter before the House, susceptible of division, and a vote taken, seriatum, upon each division, if required, by any member of the House.

On motion of Mr. Holmes,

The House adjourned until Monday morning 10 o'clock.
