No. 15

(Senate Joint Resolution No. 48)

A Senate Joint Resolution concerning

Federal Fire Academy

FOR the purpose of requesting [[the Governor to appoint an executive and legislative task force]] the Maryland delegation in Congress to make every effort to convince the federal government to locate the recently authorized Federal Fire Academy in Maryland.

The federal government has recently enacted legislation to establish a Fire Academy for training and educating firefighters from all 50 states. This much needed Academy will provide the brave men and women who protect us from the ravages and destruction of fire the training and the new techniques that are needed to save lives.

The State of Maryland would be an advantageous site for this new Academy. Located near the nation's capital, Maryland has both convenient transportation facilities and a spirit of cooperation that would insure the success of the Academy; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the [[Governor is requested to appoint an executive and
