

An accurate county boundary is essential to verify election districts, establish school district boundaries, develop and maintain roadways, and allow builders to know in which county their land is located; now, therefore, be it

RESOLVED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Secretary of Natural Resources is requested to direct the Maryland Geological Survey to resurvey and remark, at 1-mile intervals, parts of the boundaries separating Montgomery County from Frederick and Howard Counties; and be it further

RESOLVED, That the areas to be resurveyed are that portion of the Montgomery-Frederick County line from its intersection with the Carroll-Howard County line at Parr Springs, approximately 18.1 miles westerly to the Virginia side of the Potomac River, and that portion of the Montgomery-Howard County line from its intersection with the Carroll-Frederick County line at Parr Springs, approximately 2 miles west/southwest to the Patuxent River; and be it further

RESOLVED, That a copy of this Resolution be sent to the Honorable James B. Coulter, Secretary of Natural Resources, Tawes State Office Building, Annapolis, Maryland 21401.

Signed May 1, 1979.

No. 28

{House Joint Resolution No. 37}

A House Joint Resolution concerning

Federal Funding of Retirement Benefits
for Veterans

FOR the purpose of requesting that the Congress of the United States provide a certain share of the funds out of which retirement benefits are awarded for service in the Armed Forces of the United States.

WHEREAS, The State of Maryland, subject to certain restrictions, allows veterans of United States military service to receive membership credit in the State's retirement system for the time, not to exceed 5 years, in which the veteran was in military service; and

WHEREAS, A State or local government employee, who is a veteran, served the country in the military at great personal sacrifice; and
