In Worcester County the owner or owners of any regular licensed horse racing establishment, holding public meetings at which pari-mutuel betting is permitted, or the concessionaire or catering organization at that place, whether an individual, association or corporation, may procure without additional residential, voting or locative qualifications, a license for the sale of beer or beer and light wine within the confines of its racing park in the county, at the same cost for other beer and beer and light wine licenses in the county. The person may procure a license for the sale of beer, wine and liquor within the confines of its racing park in the county, for a fee of $750 each year, which entitles the holder to sell at one or more locations within its park.
