

[(jj) (1) "Company van pool" means any nonprofit commuter service provided by or organized by an employee organization or by a company or a group of companies for its employees and which:

(i) Transports employees, including the driver, exclusively between their homes and their employer's place of business;

(ii) Is available on a nondiscriminatory basis to all of the employees of the company or group of companies;

(iii) Does not require participation of any employee as a condition of employment; and

(iv) Uses motor vehicles having a seating capacity of no more than 15 persons each as the sole means of transportation across land.

(2) It does not include any company which provides commuter service for another company's employees under a contract or agreement with that company.]
