The Honorable James Clark, Jr.
President of the Senate
State House
Annapolis, Maryland 21404

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, I have today vetoed Senate Bill 610.

This bill establishes a system of State learning resource centers under the jurisdiction of the State's Education Coordinating Committee (ECC) and states their purpose; establishes a new center at Towson State University's Lida Lee Tall School and directs the Board of Trustees of the State Universities and Colleges and the State's Board of Public Works to permit Education Coordinating Committee to lease this school's facilities; and provides admission to membership or continuance of membership in certain retirement and pension systems for certain employees.

House Bill 1494, which was passed by the General Assembly and signed by me on June 1, 1982, accomplishes the same purpose. Therefore it is not necessary for me to sign Senate Bill 610.
