

CHAPTER II.—REPORTS FROM PRIVATE SCHOOLS AND ACADEMIES, AND COLLEGES.

Private Schools
to report.

SECTION 1. For the purpose of collecting accurate statistical information relative to all the facilities for education within the State, it is ordered that every teacher conducting a private School or Academy in the City of Baltimore or any of the Counties, and the proprietor of every Boarding School, shall on or before the first day of July in each year report to the Director of the City or County in which his School is located, the average number of scholars male and female, the number of months that the School has been in session, the aggregate cost of tuition and board, the course of study, value of its property, and such other information as will enable the Director to present to the State Superintendent a statement of the condition of such private Seminaries of learning.

Colleges to
report.

SEC. 2. The President of each College in the State established by private or denominational enterprise shall report annually on or before the first day of July to the State Superintendent, the condition of such College, the value of its property, amount of endowment, number of students, cost of board and tuition, and all other information that will enable the Superintendent to present to the General Assembly an accurate statement of the condition of the Colleges of the State.

Parochial
Schools to report.

SEC. 3. The requirements of this law apply to all Parochial or Denominational Schools of every grade, whether Free Schools or Pay Schools, conducted by individuals or associations.
