

Although the second clause of the introductory language of former Art. 41, § 483(d), which referred to "constraints of law ... that govern ... other State agencies", literally could be read to apply to this section, the former clause seemed intended to apply only to the other items in former Art. 41, § 483(d). Therefore, the former clause is omitted in this section. Cf. §§ 9-304 and 9-305 of this subtitle.
