

(II) THE FACILITIES AND DEVELOPMENT OF ANY UNIT OF THE STATE GOVERNMENT.

(D) LIMITATION.

(1) A STUDY OR RECOMMENDATION OF THE COMMISSION IS ADVISORY ONLY.

(2) THE COMMISSION MAY NOT REQUIRE OR COMPEL THE ADOPTION OR IMPLEMENTATION OF ANY RECOMMENDATION.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 41, § 360(f), (g), and the first and second clauses of (h).

Subsection (a)(2)(i) of this section is revised as a separate power of the Commission, although, under former Art. 41, § 360(g)(1), this power appeared as a part of the study of landmark resources, since this power did not seem to be limited to an inventory of current uses of landmark resources.

In subsection (a)(2)(i) of this section, the former term "business" is deleted in light of the broader term "commercial".

Subsections (b) and (c) of this section are revised as separate powers, rather than as powers carried out "[a]s part of its studies and consideration", since cooperation and recommendations seem, more appropriately, the result of study and consideration.

Defined term: "Commission" § 9-401

9-407. FUNDS.

IN ADDITION TO ANY POWERS SET FORTH ELSEWHERE, THE COMMISSION:

(1) MAY ACCEPT MONEY FROM A PRIVATE OR PUBLIC AGENCY FOR USE IN CARRYING OUT THE POWERS AND DUTIES OF THE COMMISSION; AND

(2) FOR THAT PURPOSE, MAY GIVE THE MONEY TO A PRIVATE OR PUBLIC AGENCY OR OTHERWISE SPEND THE MONEY.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 41, § 360(e) and the third clause of (h).

The introductory language of this section, "[i]n addition to any powers set forth elsewhere," is standard language added for clarity.
