

(C) MISCELLANEOUS DUTIES.

IN ADDITION TO ANY DUTIES SET FORTH ELSEWHERE, THE DIRECTOR SHALL:

(1) SURVEY THE STATE TO ENSURE THAT VETERANS AND THEIR DEPENDENTS ARE NOT NEGLECTED; AND

(2) PERFORM ANY OTHER DUTY THAT THE COMMISSION DIRECTS.

REVISOR'S NOTE: Subsections (a) and (c) of this section are new language derived without substantive change from the first and second clauses of the first sentence and the third and fourth clauses of the third sentence of former Art. 96 1/2, § 6.

Subsection (b) of this section is standard language substituted for the fourth sentence of former Art. 96 1/2, § 6, which referred to the salaries for the Director and other employees "under the Standard Salary Law of the State" and to their expenses "as the Commission may ... direct" and which is deleted as obsolete with respect to the Standard Salary Law and unnecessary with respect to reimbursement. State employees generally are entitled to reimbursement although the entitlement is not set out in statute and the reimbursement is subject to the Standard State Travel Regulations.

In subsection (a) of this section, the reference to a "Director" is substituted for the former reference to the "State Service and Executive Officer", to conform to practice. For conformity, the defined term "Director" is substituted, throughout the balance of this section, for the former references to the "Officer".

Former Art. 96 1/2, § 3(c), the first paragraph of § 4, and the fifth sentence and the first clause of the second sentence of § 6, which provided for a Veterans' Relief Fund and its administration, are deleted as obsolete. The last appropriation of relief funds reverted to the General Fund of the State on August 8, 1973.

The third clause of the first sentence of former Art. 96 1/2, § 6, which stated that the Director "shall be a member of the merit system", is deleted as unnecessary in light of Art. 64A, § 7 of the Code, which specifies that all of the employees of the Commission are in the classified service.
