REVISOR'S NOTE: Subsection (a) of this section is new language added to avoid repetition of the former phrases such as "veterans' cemeteries established under this section".

Subsections (b) through (i) of this section are new language derived without substantive change from former Art. 96 1/2, § 19(a), (c) through (f), and the first clause of the first sentence of (b).

In subsections (b), (f)(1), and (i)(2) of this section, the references to "immediate families" and "member of the immediate family" are substituted for the former terms "next of kin" and "family members", to conform to subsection (h)(2) of this section.

Subsection (b) of this section is revised to clarify that the Commission establishes the State veterans' cemeteries.

In subsection (c)(2) of this section, the word "near" is substituted for the former reference "are adjacent to or have proximity to", for brevity.
