

(a) The Corporation may provide for the creation, continuation, and administration of any funds it may require. Money in these funds and other money of the Corporation shall be deposited, as directed by the Corporation, in any State or national bank, or federally or State insured savings and loan associations located in the State having a total [paid-in-capital] PAID-IN CAPITAL of at least \$1,000,000. The trust department of any State or national bank or savings and loan association may be designated as a depository to receive any securities acquired or owned by the Corporation.

(f) Within the first 90 days of each fiscal year, the Corporation shall make a report to the Governor and, subject to [article 40, § 51 of the Code] § 2-1312 OF THE STATE GOVERNMENT ARTICLE, to the General Assembly. Each report shall set forth the complete operating and financial statement covering its operations during the preceding fiscal year. The report shall also summarize the Corporation's activities.

572.

The Corporation and its corporate existence shall terminate and be of no effect after July 1, 1989; provided, however, that no [such law] TERMINATION shall take effect so long as the Corporation shall have bonds outstanding, unless adequate provision has been made for the payment of them or provided that no such law shall affect legal obligations pending as a result of agreements entered into before the termination of the Corporation. Upon termination of the existence of the Corporation, all its rights and properties shall pass to and be vested in the State.
