

(2) The local jurisdiction shall promptly issue the statewide licensee a local license to engage in electrical contracting on payment of any licensing fee as prescribed by the local jurisdiction.

536.

(h) The money received under this section shall be paid to the State Treasurer and shall become general funds of the State. The money shall thereafter be disbursed by the Comptroller pursuant only to an appropriation made in accordance with §§ 32 and 52 of Article III of the Constitution or under §§ 1 through 15, inclusive, of Article 15A of this Code, [title "Budget and Procurement",] SUBTITLED "BUDGETARY ADMINISTRATION", as amended.

Article 64A - Merit System

9F.

Any contractual employee of the bookshop of Towson State [College] UNIVERSITY who has had as of July 1, 1971, continuous, full-time, satisfactory service for a period equivalent to that required to complete a probationary period in the classified service shall be adopted into the merit system under this article without further examination or qualification. An employee adopted into the State merit system pursuant to this section shall be given credit for the years of service rendered as a contractual employee of the bookshop of Towson State [College] UNIVERSITY for the purpose of establishing (1) compensation rates including increments, and (2) the basic rates for annual leave and sick leave credit earnings provided under this article. An employee who has been included into the State merit system under this section shall not receive any diminution in compensation (based on the employee's salary as of the date of adoption) solely as a result of such inclusion. Neither shall there be any diminution in respective amounts of accumulated annual leave and sick leave credited to each such employee at the time of such inclusion.

15A.

(f) The Secretary of Personnel periodically shall audit a sample of instances of contractual employment in the various agencies of the executive to determine whether justification exists for continuation of the certification required under subsection (b); and to determine whether the guidelines required by subsection [(d)] (E) have been followed.

(g) If, as the result of an audit pursuant to subsection [(e)] (F), the Secretary determines that the services being performed by a contractual employee should be performed by an employee in the classified service, he shall refuse to renew the certificate issued under subsection (b); and he shall recommend to the Department of Budget and Fiscal Planning that a classified position be established.
