

time of death becomes thereafter wholly or partially self-supporting, payments shall nevertheless continue until the total sum of \$45,000.00 has been paid, and thereafter further benefits shall cease. It is the intention herein that a surviving wife or husband who is wholly dependent at the time of death shall receive at least the total sum of \$45,000.00, even though she or he becomes wholly or partially self-supporting before that sum is paid. The Commission has continuing jurisdiction to determine whether the surviving wife, husband, or child has become wholly or partially self-supporting, and to suspend, terminate or reinstate suspended or terminated payments of compensation. The provisions of this [paragraph (8)(a)] SUBPARAGRAPH which provide for a continuation of payments until the total sum of [\$45,000] \$45,000.00 has been paid do not apply to a widow or widower who remarries; for this person the payments shall cease as of the time of remarriage, but he may receive and keep the payments made under paragraph (8)(i) of this section.
