

(a) To provide grants to assist in the construction of publicly owned sewage treatment works;

(b) Not for Fiscal Year 1988 not more than \$10,000,000 to provide grants for projects to remove nitrogen at publicly owned sewage treatment works in the Patuxent River Basin; Basin; however, it is the intent of the General Assembly that this allocation for nitrogen removal shall be identified and adjusted annually to provide for future capital needs as identified in an agreement between Montgomery County, Prince George's County, the Washington Suburban Sanitary Commission (WSSC), and the State of Maryland;

(c) Not more than \$5,000,000 to provide grants for projects to control agriculturally related nonpoint sources of pollution, provided, however, that only not more than \$1,000,000 may be expended for projects on public lands; and

(d) Not more than \$400,000 to provide grants for projects designed to address existing special water quality or public health needs where timely and sufficient federal funds are ~~not available;--and~~ available.

(4) An annual State tax is imposed on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds, as and when due and until paid in full. The principal shall be discharged within 15 years after the date of issue of the bonds.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect June 1, 1987.

Approved May 14, 1987.

CHAPTER 459

(House Bill 410)

AN ACT concerning

Creation of a State Debt - Public Junior, Community,
and Regional Community College Facilities
Construction Loan of 1987

FOR the purpose of authorizing the creation of a State debt in the amount of \$4,200,000, the proceeds to be used to assist the counties and Baltimore City in financing the design and construction of public junior, community, and regional community college buildings, site improvements, and
