

WILLIAM DONALD SCHAEFER, Governor

(1) Coordinating policy, planning, and development for child day care programs among all State agencies, commissions, councils, boards, and task forces;

(2) Serving as an information clearing house and referral office to businesses, local jurisdictions, prospective providers, community groups, and the general public on available child care services, government regulations, and financing for child care;

(3) Promoting and marketing a public - private partnership to meet the child care needs of Maryland's employees, employers, and families;

(4) Developing a public information and education program on child care needs and services;

(5) Providing technical assistance and support to employers, employees, and providers;

(6) Monitoring special projects on child day care such as a model child day care center.

(7) Act as a liaison to local and federal governments on Intergovernmental issues relating to child day care.

C. The Coordinator shall make recommendations to the Governor and appropriate Department heads on policy and budgetary initiatives for child day care.

EXECUTIVE ORDER OF JANUARY 27, 1988

01.01.1988.01

MARYLAND JUVENILE JUSTICE ADVISORY COUNCIL
(Amends Executive Order 01.01.1987.21)

WHEREAS, The importance of prevention programs for juvenile delinquency has long been recognized; and

WHEREAS, There is a continuing need to develop innovative approaches and effective responses to delinquent behavior; and

WHEREAS, There is a wide variety of State and local agencies, organizations, commissions and advisory groups active in the juvenile delinquency prevention and the juvenile justice system; and

WHEREAS, There is a need to improve the coordination, planning
