

(3) THE SIGNATURES OF THE CHAIRMAN AND SECRETARY OF THE BOARD, UNDER SEAL OF THE BOARD.

(D) REPLACEMENT OF LICENSE CERTIFICATE.

SUBJECT TO ANY REGULATION THAT THE BOARD ADOPTS, IT SHALL REPLACE ANY LOST, MUTILATED, OR DESTROYED LICENSE CERTIFICATE ON:

(1) REQUEST OF THE LICENSEE; AND

(2) PAYMENT OF THE REPLACEMENT FEE SET BY THE BOARD, NOT EXCEEDING \$35.

REVISOR'S NOTE: Subsection (a)(1) of this section is new language added to state expressly that the Board must give notice to qualified applicants. This addition conforms to the practice of the Board.

Subsection (a)(2) of this section is new language derived without substantive change from the first sentence and, as it related to professional engineers, the third sentence of former Art. 75 1/2, § 13(a) and rephrased as part of the notice requirement.

Subsection (b) of this section is new language derived without substantive change from the first sentence of former Art. 75 1/2, § 15(a).

Subsection (c) of this section is new language derived without substantive change from the second clause of former Art. 75 1/2, § 8(c) and, as it related to a professional engineer, the fourth sentence of § 15(a).

Subsection (d) of this section is new language derived without substantive change from the second sentence of former Art. 75 1/2, § 17(f), except as that sentence related to a revoked license.

In subsection (c)(2) of this section, the word "registration" is substituted for the former word "serial", for clarity.

Former Art. 75 1/2, § 12(h), which made an individual eligible for a license "although he may not be practicing his profession at the time of making his application", is deleted as misleading since the central theme of this title is that an individual must be licensed to practice engineering. Former § 12(h) implied just the opposite -- i.e., an individual already should have been practicing when the individual applies for a license.

Defined terms: "Board" § 14-101
