

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 75 1/2, § 16.

In subsections (a) through (c) of this section, the defined term "limited license" is substituted for the former word "temporary permit", for clarity, as licenses issued under this section are restricted in scope as well as duration.

In subsection (a)(4) of this section, the phrase "on the form that the Board provides" is added to state expressly that which only was implied in the former law -- i.e., applications for a limited license may be made only on the form that the Board provides.

Subsection (c)(1) of this section clarifies the former law by stating expressly that the Board states the term of a limited license in the license.

Subsection (c)(3) of this section states expressly that which only was implied in the former law -- i.e., a limited license expires on the dates set by the Board.
