

IF THE BOARD FINDS THAT AN APPLICATION FORM AND THE ACCOMPANYING DOCUMENTATION DO NOT DEMONSTRATE THAT THE APPLICANT MEETS THE REQUIREMENTS FOR A LICENSE UNDER THIS SUBTITLE, THE BOARD MAY REQUIRE THE APPLICANT TO SUBMIT ADDITIONAL INFORMATION OR DOCUMENTATION.

REVISOR'S NOTE: This section is new language derived without substantive change from the second clause of former Art. 56, § 336(a) and the second clause of (b)(1), the first sentence of § 334(a), as that sentence related to payment of fees to the Board, and the second sentence of § 335(b)(1), the second sentence of (2), and the second sentence of (3), the third clause of the first sentence of (d)(1)(i), and the second and third sentences and, as it related to applicants for licenses to practice land surveying or to practice property line surveying, the first sentence of (a).

In the introductory language of subsection (a)(2) of this section, the reference to an "application" fee is substituted for the former references to the part of the registration fee that accompanies the application. Therefore, Art. 56, § 336(f), as that subsection provided that, if the Board does not issue a license to an applicant, the initial fee would be retained "as an application fee", is deleted as unnecessary.

In subsection (b)(1)(iii)2A of this section, the reference to a "licensed property line surveyor" is added to conform to the practice of the Board to allow both professional land surveyors and licensed property line surveyors to be used as character references on an application for a license to practice property line surveying.

As to the restrictions on the issuance of property line surveyor licenses, see § 15-302 of this subtitle.
