REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 48A, § 40.

In subsection (a)(1) of this section, the reference to an "order resulting from a hearing" is substituted for the former reference to an "order or hearing" because an appeal taken following a hearing would be taken from an order issued after the hearing and not from the hearing itself.

In subsections (b)(2) and (e)(3)(i) of this section, the word "financial" is substituted for the former word "pecuniary" for clarity and for consistency with terminology used throughout this article.

Also in subsections (b)(2) and (e)(3)(i) of this section, the former word "immediately" is deleted as unnecessary in light of the word "directly".

In subsection (c)(2)(ii) of this section, the reference to the "certificate holder" is added to reflect that agents and brokers are required to obtain certificates of qualification, rather than licenses.

In subsection (e)(1) of this section, the title "Maryland Insurance Commissioner" is substituted for the former reference to the "Insurance Commissioner of the State of Maryland" for accuracy.

In subsection (f) of this section, the word "full", which formerly modified "jurisdiction", is deleted as surplusage.

In subsection (g)(1) and (2) of this section, the former references to "his office" are deleted as surplusage.

In subsection (g)(1)(ii) of this section, the former word "full" is deleted as unnecessary in light of the word "complete".
