

campaigns to decrease tobacco use;

(d) smoking cessation programs;

(e) enforcement of the laws regarding tobacco sales;

(f) the purposes of the Maryland Health Care Foundation under Title 20, Subtitle 5 of the Health - General Article;

(g) primary health care in rural areas of the State and areas targeted by tobacco manufacturers in marketing and promoting cigarette and tobacco products;

(h) prevention, treatment, and research concerning cancer, heart disease, lung disease, tobacco product use, and tobacco control, including operating costs and related capital products;

(i) drug treatment and prevention program; and

(2) Any remaining funds shall be expended for any lawful purpose.

Further provided that, contingent on enactment of SB 334 or HB 751 creating and specifying uses for a Cigarette Restitution Fund, this appropriation shall be reduced by \$54,250,968 to allow the associated revenues to be credited to that Fund as provided under that Act.

Further provided that, notwithstanding Section 7-310 of the State Finance and Procurement Article, and unless specified otherwise in legislation, funds herein appropriated contingent on receipt of funds resulting from the settlement of the State of Maryland v. Philip Morris, et al may only be expended through appropriations for specific purposes in a
