

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 27, § 700A(c).

In subsection (a)(1) of this section, the defined term "Division" is substituted for the former reference to "Department" for accuracy. See General Revisor's Note to this subtitle.

Also in subsection (a)(1) of this section, the reference to "correctional facilities" is substituted for the former reference to "facilities in the institutions and camps" for consistency throughout this article and because the reference to "camps" is obsolete. See § 1-101 of this article for the definition of "correctional facility".

Also in subsection (a)(1) of this section, the reference to the Division's duty to "adopt" facilities for the housing of inmates in the work-release program is deleted as included in the broad reference to the Division's duty to "designate" such facilities.

Also in subsection (a)(1) of this section, the reference to correctional facilities "in" the Division is substituted for the former reference to correctional facilities "under its jurisdiction" for consistency throughout this article. See General Revisor's Note to this article.

In subsection (a)(2) of this section, the reference to a local "correctional" facility is substituted for the former reference to a local "confinement" facility for consistency throughout this article. See § 1-101 of this article for the definition of "local correctional facility".

Also in subsection (a)(2) of this section, the reference to "hous[ing] ... inmate[s]" is substituted for the former reference to "quartering ... prisoner[s]" for consistency with subsection (a)(1) of this section.
