REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 27, § 700A(d).

The second sentence of former Art. 27, § 700A(d), which is revised in subsection (b)(1)(ii) of this section, referred to fees assessed under former Art. 41, § 4-104. The only reference to fees in former Art. 41, § 4-104 appeared in subsection (i) of that section, which authorized the Department of Public Safety and Correctional Services to assess a fee for certain expenses relating to an inmate's medical care. Former Art. 41, § 4-104(i) is revised in § 2-118 of this article. In referring to the fees assessed under § 2-118 of this article, subsection (b)(1)(ii) of this section is technically narrower in scope than former Art. 27, § 700A(d). However, this revision does not reflect a substantive change because the other provisions of Art. 41, § 4-104, which are revised in §§ 2-104, 2-107, 2-109 through 2-115, and 2-118 of this article, do not authorize the assessment of any fees.

In subsection (b)(1)(i) of this section, the reference to the "Division" is added to state expressly that which was only implied in the former law,
