The Correctional Services Article Review Committee notes, for consideration by the General Assembly, that subsection (d) of this section is one of many provisions in this article that relates to inmates who escape while legitimately outside the confines of a correctional facility (e.g., while on work release, home detention, pretrial release, weekend leave, compassionate leave, family leave, etc.). For a discussion of the Committee's perspective on these provisions, see § 3-305(c) of this title and accompanying Revisor's Note.

In subsection (e) of this section, the former references to "reasonable" and "necessary" regulations are deleted as implicit in the reference to "regulations". See Title 10, Subtitle 1 of the State Government Article.
