

In subsection (b)(1)(i) of this section, the cross-reference to "Subtitle 2 of this title" is substituted for the former reference to "this section". The former cross-reference was to Art. 27, § 594B, most of which, including the powers of arrest, is revised in Subtitle 2 of this title. Thus, the former cross-reference is slightly broader than the revised cross-reference. No substantive change is intended.

Subsection (c) of this section is revised to clarify that a federal law enforcement officer acting under the authority of this section must notify the listed entities.

In subsection (c)(1)(i)1 of this section, the reference to a "municipal corporation" is substituted for the former reference to an "incorporated municipality" to conform to Md. Constitution, Art. XI-E.

In subsection (c)(1)(i)3 of this section, the exception for "Baltimore City" is added for clarity because Baltimore City is included in the standard definition of "county". However, Baltimore City is covered in subsection (c)(1)(i)2 of this section.

In subsection (c)(2) of this section, the reference to a federal law enforcement officer who "participates in a joint investigation with officials from a State or local law enforcement unit" is substituted for the former reference to a federal law enforcement officer who is "acting under the authority granted in paragraph (3)(i) of this subsection" for specificity and to eliminate an unnecessary cross-reference.

In subsection (d)(1) and (2) of this section, the former references to a police officer "of this State" are deleted in light of the definition of "police officer" in § 2-101 of this subtitle.

In the introductory language of subsection (d) of this section, the reference to a federal law enforcement officer who "acts under the authority granted by this section" is substituted for the former reference to an officer who "exercises the powers set forth in this subsection", for consistency with language used throughout this section.

The Criminal Procedure Article Review Committee notes, for consideration by the General Assembly, that in subsection (c)(1)(i)6 of this section there is no mention of property owned, leased, operated by, or under the control of the Maryland Aviation Administration, unlike a similar provision in this subtitle dealing with notification of an investigation or enforcement action. See § 2-102(c)(1)(i)6.
