

GENERAL REVISOR'S NOTE :

Throughout this title, the phrase "act or omission" is substituted for the former word "conduct" to clarify that not only certain acts but also certain failures to act may result in certain consequences. See, e.g., §§ 8-405 and 8-411 of this title.

The third sentence of former Art. 56, § 252(d), which authorized the Attorney General to appoint an attorney-at-law who serves at the pleasure of the Attorney General to represent the Commission, is deleted as unnecessary in light of § 2-107 of this article. See also Md. Constitution, Art. V, § 3 and SG § 6-106, which impose on the Attorney General responsibility for "legal business" of the State Government. The Attorney General has authority to appoint a staff member to "represent the Commission" and, absent authority to the contrary, an attorney appointed by the Attorney General serves at the pleasure of the Attorney General. See SG § 6-105(a) and (e).

Former Art. 56, § 257(f), as it related to forms for termination of licenses, is deleted as surplusage. If a licensee's license is suspended or revoked, a charging document is issued, beginning the right to an administrative proceeding. Before a license expires, a notice is issued in accordance with renewal provisions of this title.

Former Art. 56, § 257(l), which required a corporation that operates as a contractor or subcontractor to have a resident agent in the State, is deleted as unnecessary in light of CA § 2-108.

Former Art. 56, § 261(a)(13), which prohibited constructing, repairing or remodeling a fallout shelter with knowledge that the work does not conform to minimum standards of the Maryland Emergency Management Agency, is deleted as obsolete. Although there are federal standards regarding fallout shelters, the Maryland Emergency Management Agency has not adopted fallout shelter standards. The Business Regulation Article Review Committee notes this deletion for the consideration by the General Assembly.

Former Art. 56, § 269, which provided for the severability of the provisions of former Art. 56, §§ 245 through 269A, is deleted as unnecessary in light of Art. 1, § 23 of the Code.
