Douglas		

Resolved in the affirmative.

The house resumed the consideration of the bill to create a board of public works. Mr. Howard moved to add the following to the amendment proposed by Mr. Goldsborough, to wit: "and until such low lands shall be surveyed and examined as aforesaid, no warrant of survey, or patent shall issue therefor, until the legislature shall make future provision on the subject." Resolved in the affirmative.

Mr. Speed moved to add the following: "and the said president and directors shall, by exploring and surveying the intermediate country and streams, ascertain the best practicable route from a canal between the eastern branch of the Potomac river, and also between any lateral canal to Baltimore, and the city of Annapolis." Resolved in the affirmative.

Mr. Harlan moved to refer the whole to the next general assembly.

When Mr. Williams called for the previous question, and it was
