

Sir

Washington County Sep. 30th 1886.

Having been appointed to the Senate of the State of Maryland and meaning to take my seat in that body I deem it improper longer to retain the appointment with which I was honored by the Executive. Accept therefore if you please this my resignation of the Office of Attorney General for the State of Maryland.

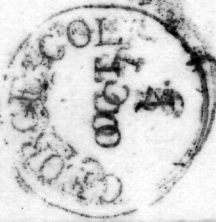

In thus leaving that Office permit me to express my high sense of the honor conferred upon me by the Executive of Maryland. Permit me too through you to tender my best wishes to the members of the Council individually and I beg that you will yourself accept them

I have the honor to be
with great respect and real
regard your Excellencies
