Dennis Claude -
Gen. Winfield Scott

No 1

Dr Claude

Present.

Capt. Scott has not placed on his morning Report, as fit for duty, several person of those stricken off the Sick list by Doct^r Claude; because it is presumed Dr C. could only have meant thereby, that these individuals were no longer subjects for medical aid: being manifestly too weak to perform the severe duties of sentinels & patrols.

Monday morn' 1st May.
