1809, May 1

Letter [Dn. Dennis Claude] to Capt. [Winfield] Scott.
Re: ill soldiers & patrol duty.

(with G76)

No 2

Capt Scott

Present

Capt Scott must know that the Surgeon is to judge, when men, on point of health, are fit subjects for duty, & if when discharged from the sick report by him, Capt Scott still reports them unfit for duty in consequence of disease, he will recollect that he subjects himself to arrest for signing incorrect reports.
