Letter, [Dn.] D[ennis] Claude to Capd. George Peter enclosing the
notes which passed between him and Capd. [Winfield] Scott.

(with 676)

Sir

Enclosed are the notes which have
passed between Capt Scott & myself,
No 2 was not sent on the 1st of May
nothing having withdrawn my attention
the report handed me the next morning
from Capt Scott's company, induced me
to add a few words more, but not having
retained a copy of them they are not
at this moment particularly recollectable.

With sentiments of the warmest
esteem I am

Yr Obedt Servt

Wm Lander
